THE BAY OF PIGS

(Oxford University Press, 2008)

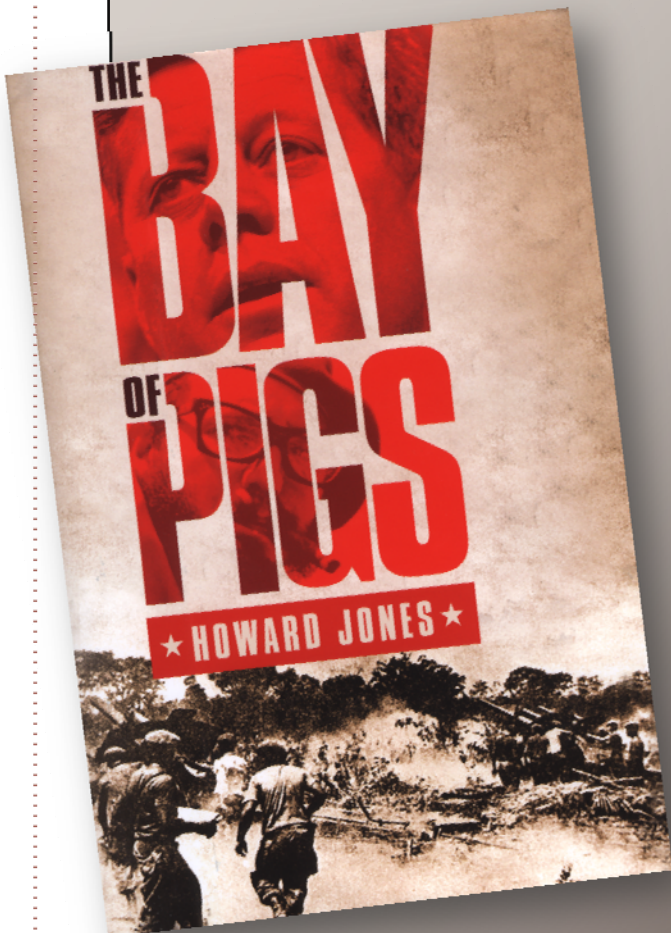

A reading and discussion with
Dr. Howard Jones

*University Research Professor,
UA Department of History*

"An unsparing portrait of an epic disaster, a tale of
Overreach, incompetence, hubris and self-delusion,
of every level of American government at its worst.

The Bay of Pigs had far-reaching consequences,
and from Howard Jones' account it becomes
clear why."
